Oasis Misaal Project 2017-18

***I AM BORN TO BE GREAT.
I WANT TO MAKE INDIA BETTER.
I CAN. I JUST NEED A CHANCE.***

• *Objectives & vision of Misaal*

The central philosophy of Oasis Movement is Character Building Education. Under this Oasis has taken up many major initiatives viz: **IYLDP (Indian Young Leadership Development Program for children and youths)**. Oasis's objective is to empower children & youth by providing supportive environment where they can lead their lives with self-dignity. Main focus is to nurture the children to unleash their hidden potentials and to help them live a meaningful life.

One of the important projects is of Leadership Competition called **"Misaal"**.

The competition is conducted to bring out leaders from the society. Young leaders who have ideas to make India better country and who just need a chance can take part in the Competition. This can be their dream come true opportunity. Participating in the competition means they and their ideas are valued and there is a team who can support them.

*"Not just talks, they
implemented their ideas with
lots of confidence"*

Project Misaal aims to spot, inspire, prepare, guide and support teenagers, youths, teachers, citizens who wish to bring about a positive cultural change in the society and country at large being the change themselves first, i.e. they be Role-model of that change and lead others.

• *Qualities to identify leaders*

Qualities to be identified in a potential leader

HEART (60%)

- Belief of being born to do something great
- Want to change present education system
- High self-esteem and confidence
- Courage and Sensitivity
- Commitment and Cooperation
- Action oriented (not just intellectual)

SKILL (40%)

Essential skills for being a leader

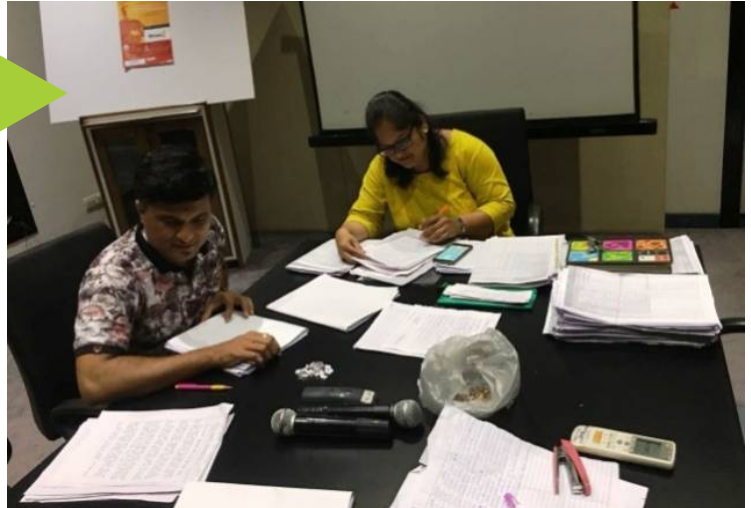

- Writes well
- Learns well (listening and understanding)
- Speaks well
- Plans well (Planning abilities)

• *Stages of Misaal*

1st

LEVEL:

ESSAY WRITING

2nd

LEVEL:

**GROUP
DIALOGUE**

3rd

LEVEL:

**PROJECT
WORK**

• 1st level: Essay writing and orientation

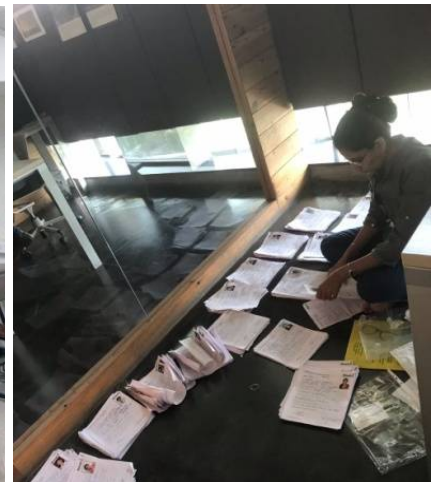

Objectives:

To know the ideas and thoughts of participants on different problems of society and how innovative their solutions are.

TOPICS OF ESSAY

- If I am PM, one thing I will change...and how?
- If I am education minister of India...
- How every youth should help India?
- Why children deserve respect and freedom?
- Why gender discrimination is a crime?

The enthusiastic beginning of Misaal 2018

An energetic experience to interact with young breed of India

● 2nd level: Group dialogue

Objectives:

To evaluate their listening skills, openness to learn new things from different people, acceptance of new thoughts and ideas and the ability to utilize them in the right manner, to test their communication skills and confidence level.

THEMES OF GROUP DIALOGUE

- Why India is still one of the most corrupt countries?
- Ills of prevailing education system in India and solutions.
- Roots of civic uncleanliness and remedies for India.
- How can India improve and protect its environment?
- Are poverty & unemployment realities in India and how to eradicate both?

Group dialogue- Where they shared, listened, integrated & improved.

● Reflections of participants

“જૂથ સ્પર્ધા દ્વારા અમે અમારાં મંતવ્યો બીજા સ્પર્ધકો સામે રજૂ કર્યા. તેનાથી મારો આત્મવિશ્વાસ વધ્યો અને બધા સામે પોતાના વિચારો રજૂ કરવાની પ્રેરણા મળી. મારા માટે આ તદ્દન જુદો જ અનુભવ હતો.”

- માઈઝ બેલીમ, વડોદરા

“મિસાલ પ્રોજેક્ટે મારી લાઈફ બદલી નાખી. શિક્ષણ પર Essay લખ્યો એ તો જાણે મને God Gift મળી ગઈ. મને પહેલેથી જ Stage fear હતો અને મારો આત્મવિશ્વાસ પણ ઓછો હતો. ગ્રુપ ડાયલોગમાં બીજાને સાંભળીને આપણા ટોપિકમાં વધારો કરીને બોલવાની મજા પડી ગઈ. Stage Fear દૂર થઈ ગયો.

- મિસા પટેલ, નવસારી

Group dialogue helps participants to bring out their creative thoughts and novel ideas.

● 3rd level: Project work

Objectives:

To test their commitment for the cause, ability to plan and execute, ability to resolve issues on their own, ability to work with others in teams, ability to involve people and create an impact in the society.

Children adopted innovative ways to spread their messages.

● *Reflections of participants*

"This project has brought some changes in me. It has given me WILL to fight against my circumstances. I was not ready to participate in it just because of my Exams. I just wanted to write an Essay as I do in many other competitions at school. But as I got deeply into it and when I listened to coordinators, it gave me strength and power to face my problems. The third stage- Field Work – was my favorite. When I went out and talked with people, tried to understand their view-points, I learnt a lot. The thing which touched the most during the Field Work was to listen 'No' from people and without getting disheartened going again to another person. Yes, I could change my 'Negatives' into 'Positives'. I have become *Misaal* (Example-Role Model) for me."

- **Nihal Kapadia, Navsari**

A truly great platform for nurturing new leadership

"Oasis doesn't just help me to explore writing, speaking, it helped me to understand how to control crowd. It helped me to know what my own society think about me. I got new initiative to do some activities every Sunday with the little ones. At last a big thank you to Oasis for the opportunity."

- **Ashlesh Kapadiya, Ahmedabad**

“મને આજે ખૂબ જ મજા આવી. તેને કહેવા માટે શબ્દો નથી. પ્રોજેક્ટના દિવસે મને ઘણી જગ્યાએથી સારા પ્રતિભાવો મળ્યા તો ઘણી જગ્યાએથી ખરાબ પ્રતિભાવો પણ મળ્યા. તેમ છતાં, મને ઘણું બધું શીખવા મળ્યું. મારો વિચાર હતો કે હું લોકોને કહીશ કે મારી વાત બીજા સુધી પહોંચાડે ને મારા નંબર ઉપર missed call કરે. મને કુલ ૨૮ missed call આવ્યા. આ જાણીને મને ખૂબ જ આનંદ થયો. મારી વાત બીજા ૨૮ લોકો સુધી પહોંચી. હું આ જ ઇચ્છતી હતી કે મારી વાત વધારે લોકો સુધી પહોંચે.”

- ચૈતન્યા ઝેજનિયર, અમદાવાદ

• *Misaal celebrations*

Celebrations of being Misaal

Happiness overloaded

*“Appreciation to all –
Misaal Participants, Parents & Judges”*

*L3 participant shares her
L3 workshop experience*

• *Volunteers celebrate their Misaal journey*

"Happy to see efforts, dedication and participation by everyone"

● *Reflections of judges & volunteers*

"Misaal project's aim is remarkable. You rightly selected the age group of teen-agers and youngsters. I am very optimistic and hopeful for whatever steps taken by Oasis."

- **Sanjay Dave, Ahmedabad**

“આજનો મારો અનુભવ બહુ જ સરસ રહ્યો. આજનો કિશોરવર્ગ દેશ માટે કેટલું વિચારે છે? તે ખરેખર સરાહનીય લાગ્યું.. જ્યારે તેઓ યુવાન થશે, રાષ્ટ્રની દોર હાથમાં લેશે ત્યારે આપણું ભારત કેવું હશે, તે કલ્પના જ રોમાંચક લાગે છે.”

- **જોશી નીતાબેન**

"Excellent and much needed activity to build country in given situation. Feeling proud to contribute myself in this activity. Need to intensify as these young kids have fire and we need to cultivate & to make them guided missile to hit their own goal."

- **Chintan Panchal, Ahmedabad**

"It was indeed a great learning experience working as a volunteer and being a part of the Misaal Project. Visionary goals and thoughts of aspiring young minds deeply touched me. I learnt a lot of new things. The one thing that touched profoundly was remarkable transformation of one Principal ma'm of the school with which I had coordinated. Initially she was not interested or eager to listen and help. But, as the project went ahead she witnessed the performances of their school students and she got interested seeing school's growth. At the end, she showed her generous support and helped as much she can. She also provided scope for further expansion of different self-developmental activities in their school!! So it was a great deal!!"

- **Karan Kataria, Navsari**

“મિસાલ પ્રોજેક્ટમાં વિજેતા થયેલ બધાં બાળકોએ એક દિવસ માટે સમાજસેવાનું કાર્ય કર્યું હતું. જેના દ્વારા બાળકો સમાજમાં રહેલી બદીઓ અને વિચારસરણીને ખૂબ જ નજીકથી ને બારીકાઈથી પ્રત્યક્ષ નિહાળી શક્યાં, તેમજ પોતાના વિચારો વ્યક્ત કરી સમસ્યાઓનું યથાશક્તિ સમાધાન લાવવાનો તથા સમાજમાં જાગૃતતા ફેલાવવાનો ખૂબ જ સુંદર પ્રયત્ન કરવામાં આવ્યો હતો.”

- **જયેશ નકુમ, સુરત**

• *Statistics of Misaal*

• *We touched:*

6983 People through Misaal project:

5933 Participants

642 Judges

408 Volunteers

| Sr No. | Particulars | 2017 | 2018 |
|---------------|---|-------------|-------------|
| 1. | <i>School & Collages participated</i> | 61 | 300 |
| 2. | <i>Essay received</i> | 843 | 5090 |
| 3. | <i>Stage 1 winners</i> | 276 | 2626 |
| 4. | <i>GD participants</i> | 216 | 1776 |
| 5. | <i>Stage 2 winners</i> | 109 | 1071 |
| 6. | <i>Project work participants</i> | 90 | 795 |
| 7. | <i>Stage 3 winners</i> | 56 | 489 |

***“Be the change
that you wish
to see
in the world.”***
