Warm Greetings from Oasis!

It must have been a difficult year for all with all the unexpected health-care and financial turmoil in our lives. At Oasis also, we had similar repercussions due to Corona lockdowns and its deadly consequences socially, financially and morally. Fortunately, our team and the upcoming new generation who are struggling to grasp the reins of Oasis were strong enough to fight against all odds and get back to their projects. All worked hard to create new ways of reaching out to the children and teens and spread Oasis work. Oasis believes in character education with one-to-one interaction. The new team creatively made Online projects a way of spreading the work while still keeping the values and principles intact. Hats off to them and the whole team of Oasis!

Special note with heartfelt gratitude to all our well-wishers and donors who believed in us and supported us lovingly. We sincerely extend our thank you for everything and believe that it did make a difference in making us more grateful and committed to our mission!

Warm wishes for a healthy and loving year ahead,

Preeti Nair
Managing Trustee

વર્ષ ૨૦૨૦-૨૧માં કોરોના મહામારીને કારણે આખી દુનિયામાં બધું જ બંધ થયું. છતાં સમાજ માટે કામ કરવું છે; સમાજમાં જે પરિવર્તન લાવવું છે તે તો કરવું જ છે. એટલે ઓએસિસ ટીમે મહામારીમાં દર વર્ષ કરતાં વધારે કામ કર્યું. નવા પ્રોજેક્ટ ચાલુ કર્યા, ઓનલાઇન પ્રોગ્રામ કર્યા, નેશનલ લેવલ પર લીડર તૈયાર કર્યા, કોઈક ને કોઈક રીતે બાળકો સુધી પહોંચ્યા અને પ્રોગ્રામ કર્યા. એ જ રીતે દર વર્ષે જેમ ઓએસિસ મૂવમેન્ટના શુભેચ્છકો અને ટીમમાં વધારો થાય છે, એ આ વર્ષે પણ જોવા મળ્યો. ભંડોળ માટે પણ ક્યારેય પણ ઓએસિસમાં તૂટ પડી છે તો શુભેચ્છકોનો ખૂબ જ મોટો સપોર્ટ રહ્યો છે. અને આવી મહામારીમાં પણ બધાએ દિલથી સપોર્ટ કર્યો. જેટલું ભંડોળ જોઈતું હતું તે આવ્યું અને યોગ્ય ઉપયોગ પણ થયો.

ઓએસિસ મૂવમેન્ટની આખી ટીમનો હું આભાર માનું છું કે વર્ષ ૨૦૨૦-૨૧માં બધાએ ખૂબ જ સાથ આપ્યો.

FOREWORD

Oasis Movement Expansion - Internal and External

Oasis has been getting into Movement mode since the last few years through its triple strategy of Leadership Development Projects, Mass Education Programs and Publication Drive.

This is also in line with the public announcement of the Founder Trustees Team in January 2020 during OMCC Annual Retreat to step back collectively and hand over the reins to the second line of young Trustees.

However by mid March, Covid 19 pandemic lockdown had set in. Uncertainty and chaos seeped in all around. All future actions were frozen as the nation anxiously awaited 'unlocking'. No one including us were prepared for this kind of eventuality when we had designed 2021 plans.

Also Oasis was facing Covid situation when its national expansion plans were on the anvil. What does this 'problem' situation have in for us - a question that Oasis could not avoid asking. This very thought paved the way for some major innovative processes designed for the first time by us.

Three important interventions hall-marked 2020-21 at Oasis Movement.

First- Oasis designed a unique Covid policy that converted the problem into an opportunity and added our sense of responsibility in difficult times,

Second - we decide to raise the bar through use of Internet Technologies and Social Media for Project Management and National Expansion.

Even amidst partial lockdowns and travel restrictions, Oasis successfully conducted its Recruitment Drive in the month of July for National Expansion at Oasis Valleys, wherein youths from 16 states participated in person. After a bumpy ride, Oasis launched projects led by young leaders in Delhi, Kerala, Kashmir, Karnataka with ripple effects in Uttar Pradesh, Orissa and Bihar.

At Gujarat level, as a new, Oasis created Pay It Forward partnerships with around 20 rural & women NGOs of Gujarat - to build a state level community with leaders of fellow-organisations.

Third - Along with the same, there has also been new recruitment of our 2020 batch of Oasis fellowship - Misal Honorship Explorers (MHEs). Sr MHE Program for senior executives also was added. Thus, a team of 35 or more youngsters were staying at our various premises as Community and working full time to support the Expansion Project, while taking good care of themselves and each other. A long due project of vital education through Military Training finally saw day of light at Oasis Valleys.

A befitting tribute to the first pass out batch of Oasis MHEs (2018-20) marked Oasis Movement Annual Retreat celebrations at Oasis Valleys!

All of these turned Covid phase into a huge opportunity and platform for launching our succession plan for the young core team of Oasis.

This Annual report showcases the humbling growth curve of these young leaders along with the impact of the new programs.

What more could be a matter of pride for Oasis and also all of our steadfast well wishers and contributors who have bestowed their trust in us.

Oasis prepares for next 100 years

Oasis began as a self-development circle of 10-12 friends in 1989 and today, it has turned into a nation-wide movement of character-building education. In all these years, the founder team of Oasis has been the heart and soul for everything Oasis stands for today. After more than three decades, they are all set to step down and pass the baton to the young Future Of Oasis!

“Adieu, My Beloved Oasis!”

My Dear All Friends of Oasis Movement,

17th June, 1989. That was the day when Oasis Movement began informally. It completed 30 years of journey last year, when we decided it's time to hand over the torch to the young generation now.

What has Oasis achieved so far?

Countless beneficiaries...hundreds of selfless volunteers and a treasure of beautiful friends who have become part of my being as well as family...a century of Publications with over one and half million copies sold...a stable and developing culture in society for living, loving and learning...a foundation as solid as it can be for posterity- what can one ask more!

With a heart full of satisfaction and gratitude, we wish to inform you that the transition process has begun. While a whole group of founder friends are joining in this decision, albeit, with varied choices for the process of withdrawal.

Am I retiring? I cannot imagine myself to be tired of Oasis, till the last breath of my life.

Am I resigning? It is not relevant legally as since decades, I hold no official designations nor I believe in hierarchy of power positions.

Does that mean giving up responsibilities? That is against my beliefs, so maybe it is empowering others, giving them reigns and authorities.

So here are some salient points for this transition process-

1- At Oasis, we have lived various ideals with strength. I always dreamt of passing on legacy proactively, before Life compels me to. I always wished to witness while I'm alive what Oasis would be after my death. I always believed myself to be dispensable and have struggled to always empower more and more, to the best of my awareness and abilities.

Thus this is Adieu, a beginning of goodbyes and farewells to my beautiful young friends for carrying the torch of Oasis Movement further, with immense love and faith that I've always carried for them.

2- With immediate effect, I would only be a mentoring friend to the new, young core team of OASIS for all ongoing activities and projects, including running of operations and institute at Oasis Valleys. I, along with a team of my comrades for 3 decades now, will focus on making the Oasis Movement part of new territories.

3- Our focus would also be on preparing a new team for the ideals of Trusteeship, help inculcate the spirit of Oasis, and passing the legacy of principles we have followed our whole life.

4- I would no longer offer my time to past participants for personal meetings and counselling, with my apologies, as I

wish to fully focus on mentoring the new generation. However, I would keep meeting individuals or groups as fellow travelers on the path of Spirituality through informal retreats, something which I would love to do till my time is up on this planet.

5- Throughout this, one thing I won't give up is reading and writing as well as designing self development processes as they have been my means to learn and evolve and share in the most powerful manner.

I offer my deepest apologies to all whom I have ever hurt, either out of my immaturity or ego-unawareness. I can say truthfully that I never intended to hurt anybody and have sincerely tried to love, even though I know how fragile I have always been as a human being.

I feel deep gratitude for every moment of my life, and every person who crossed my path as they always enriched me unfailingly. My Pranaam to my parents to whom I owe my life, for their love and life-long sacrifices. Nothing would have been possible without the unflinching dedication of my comrade friends in the last 3 decades.

I wish to live with gratitude and peace in my heart till my last breath, still learning to be ready for that when the time comes.”

Sanjiv

Oasis prepares for next 100 years

Carpe Diem!

Goodbyes aren't usually easy unless there is something worthier and meaningful ahead.

Being a Trustee at Oasis has never been a privilege, but a responsibility to evolve us and serve selflessly. Stepping down now after 25 fulfilling years fills me with a sense of honour and gratitude - it's made me a better human, whatever I am today! I say this for all of us.

It's deep faith in Life that gives me this courage to relook at myself inwardly, think afresh and gratefully own up a higher responsibility to pay forward. Perfect time for a taller adventure as I prepare to explore-synergise-reach Oasis Education of Humanness to every young around the nation and world. Simultaneously, aid hand-holding of the young breed of upcoming Oasis leaders. Here's wishing them unparalleled taste of leading change by character. Carpe diem guys!

As always, our spiritual journey as a learning community continues. Thank you Sanjivbhai for leading us over a magnificent span of 30 years as a true friend, philosopher and spiritual guide. You've never given up on dreams, potentials or people!

And a loving thank you to our large Oasis family of friends and well wishers, for your unflinching trust and unconditional support at all times and more so, in the times ahead now.

With all the love in my heart, and sincere prayers...

Sheeba

What A Beautiful Journey It Was!

Sanjivbhai has always led us by setting an example. And, this time, too. He has always taught us to look beyond the horizon and prepare ourselves, right now, right here.

Growing together with all my friends over a long 3 decades has been a deeply impactful journey. Thank you so...much. It's a ripe time for us to handover the torch to the bright young generation with a heart full of hope & unwavering faith and eyes sparkling with joy & love. Gratitude for life had never been so high before. Yes, it's time for us to plunge into more profound endeavors of self-exploration for giving the best to life, to humanity.

૩૦ વર્ષોથી સમર્પિત ટ્રસ્ટી મિત્રોનો સંદેશ...

દસ-બાર મિત્રોથી શરૂ થયેલું સ્વવિકાસ વર્તુળ ઓએસિસ મુવમેન્ટમાં પરિણમ્યું, તેનાં ૩૦ વર્ષો અમે સૌ મિત્રો મથી શક્યા, તેમાં અમારું યોગદાન આપી શક્યા, અનેક વાર પડ્યા-આખડ્યા પણ યાત્રા ચાલુ રાખી શક્યા, તે અમારા માટે ખૂબ આનંદ અને ઊંડા સંતોષની વાત છે. કોઈ મહાન ધ્યેય ખાતર જીવવાનો મોકો મળવો તે જ બહુ મોટું સૌભાગ્ય છે. સાથે જ ઓએસિસે અમને સૌને જીવન જીવતાં શીખવ્યું, માનવ બનતાં શીખવ્યું, જે યાત્રા આજે પણ ચાલુ જ છે, અને જીવનપર્યંત રહે તે માટે અમે પ્રયત્નશીલ છીએ.

આ બધું થઈ શક્યું કારણ કે સંજીવભાઈ જેવા જીવનશિક્ષક અમારી સાથે હતા જેમણે હંમેશાં અમને ઊંચા આદર્શો અને સિદ્ધાંતો જીવનમાં કેવી રીતે ઉતારવા તે પોતાના જીવન થકી શીખવાડ્યું. એવા મિત્રો સાથે હતા જેઓ ઊંચી ઉડાન ભરવા હંમેશાં તત્પર રહેતા, જેમના આંતરિક સંઘર્ષો અને સિદ્ધિઓએ પ્રયંસ પ્રેરણા પૂરી પાડી; એવા અનેક સહયાત્રીઓ, શુભેચ્છકો સાથે હતા જેમણે અમારામાં શ્રદ્ધા દાખવી અને યાત્રાની કઠિનતામાં હૂંફ પૂરી પાડી. આ બધાના અને જિંદગીના અમે ઋણી છીએ.

આવી સંતોષસભર યાત્રા આ મુકામ પર, અમે સૌ મિત્રો અમારી આગળના તબક્કાની ભૂમિકા ભજવવા ઉત્સુક છીએ. અને આ તબક્કે ઓએસિસ મુવમેન્ટની ઘરોઠર ઓએસિસના યુવાનોને સોંપતા ખૂબ આનંદ અને કૃતજ્ઞતા અનુભવાય છે. તેઓ પોતાના ચારિત્ર્યના બળે ઓએસિસ મુવમેન્ટને અભૂતપૂર્વ ઊંચાઈએ લઈ જશે તેવી અમને તેમનામાં શ્રદ્ધા છે..

Beautiful Responses from Well-wishers

Oasis has done wonderfully well in the past. Fresh faces will bring new energy and thoughts and take the organization to greater heights. Wish them all the best.

Anil Swarup

IAS (Retd), Nexus of Good, New Delhi

This is a very good step, because in most organisations, people don't give up even if they are near deathbed. At the age of 26 years, the elders of my family had entrusted me with heading the industry and did not interfere at all. I could run it successfully because of their trust in me. This is the same trust I would wish Founder members to bestow on the young team.

Dipesh Shroff

Managing Director, Agrocel Industries, Kachchh

Letting go of anything is an extremely tough thing to do. Looking back in history, very few institutions have been able to make it successfully to the second generation.

Just a few suggestions:

1. The senior-junior combination is the best way to work. Oasis kids are super bright and have a very different mindset of their own. One will need to constantly channelize their tremendous energy and enthusiasm.
2. The teamwork and bonding have been exceptional within the senior team. How does one ensure the same with the next team of leaders?

Finally -

Any organization takes a life-time to build its reputation. This reputation can wither away in no time by some random acts of just a very few individuals. 2/3 years may not be enough for this; it is a process, a journey. It may need many more years for the maturity of kids to come of age. It is like a parent-child relationship, it's a lifelong one.

Anish Kothari

Director, JeweleX Diamonds, Mumbai

I am in full agreement of giving charge to the upcoming second generation. Yes, it is nice for you all to retire and give the reins of OASIS to youngsters.

What is in your favour is the Cultural Revolution you all have started through Oasis.

My suggestion: The front-line of the current 10 to 12 people, every year, should review their decisions and try to make sure that OASIS is not affected by power play.

I believe and hope that OASIS will prevail as the WORLD needs this Cultural Education. Good luck and with regards.

Late Vijay Dalal

Financial Advisor, New Jersey, USA

What a beautiful way to think about succession. Lots of love to all of you as you go through this period. And do hope to keep learning more from the new team, and to find some more time to learn from you.

Shaheen Mistri

CEO, Teach For India, Mumbai

I must congratulate you for :

1. Giving away to the younger generation the reins of Oasis.
2. For developing a cadre of young boys and girls who can gradually be the worthy successors to the visionary founders.

Rajni Reshamwala

Chartered Accountant, Mumbai

What you are doing is extremely important. In fact, we always encourage our NGO partners to do it. Most of the seniors do not want to give up their positions, and have got attached to their organisations. They do create teams but do not give up their controlling powers. Not knowing that a young team will add a lot of freshness, innovativeness. Transition and succession planning is very critical and absolutely required. Otherwise after the founders go away, the organisation flounders. Planning is good management.

Shaila Asave

Trustee, Motivation for Excellence, Mumbai

It's great to see this transition/handover being done for Oasis. I think it's a great next step for Oasis - and that there's a leadership team ready to take up the mantle itself is a testimony to the work you all have done over the years.

Ankita and Vardan Kabra

Co-founders, Fountainhead School, Surat

As part of Succession, Oasis invited young leaders to join as Trustees and they heartily accepted the responsibility to carry the baton further. In response what they reflected as -

I Want to Spread 'LOVE' Across the World!

Giving a promise to Mother Earth that I am ready to spend my whole life for this beautiful cause, without a second thought. I am giving my life for humanity and to spread this movement of love and character education all over the world as the mission of my life...

Aatmaja Soni

I'm Ready to Spread Oasis Like WildFire!

I feel immense gratitude to be a part of Oasis at this moment of my life. I, without a doubt, commit my life-time to taking the responsibility of spreading the culture of friendship, love, selflessness, honesty, giving and most importantly the spirit of building character high AHEAD in the years to come! These elements have helped me to understand life which I, with a sense of moral duty, feel to be taught to each and every growing heart today!

Avadhi Shah

ઓએસિસે હંમેશાં મને મારી જિંદગી સાચી રીતે જીવવાની હિંમત આપી છે. પ્રેમ, મિત્રતા અને આઝાદી થકી નવી પેઢીઓનો ઉદય થાય તે માટે હું મારી સમગ્ર જિંદગી પ્રયત્નો કરતો રહીશ અને ઓએસિસને સમર્પિત રહીશ.

Binit Shah

ઓએસિસ સાથે જોડાયા પહેલાં આવી પણ ડોઈ દુનિયા હશે તેવી મેં ક્યારેય કલ્પના જ નહોતી કરી. અને આજે જાણે હું એ દુનિયાની એક કાયમી રહેવાસી બની ગઈ છું. હું ઓએસિસ સાથે રહું છું અને જીવું છું તેના કરતાં 'ઓએસિસ મારી અંદર જીવતું છે' તેવું કહેવું હું વધારે પસંદ કરીશ. હું જ્યાં જઈશ ઓએસિસ મારી અંદર હંમેશાં ખીલતું અને પ્રસરતું રહેશે. હું મારા જીવનના છેલ્લા શ્વાસ સુધી આ જ રીતે અહીં અને દેશ માટે કામ કરવા નિઃશંક તૈયાર છું.

Dinkal Gayakwad

I will be here at Oasis full time as this movement needs so many young hearts to make an environment of friendship and love around the world. I am very grateful for having this golden opportunity. Yes, I will be facing so many problems/struggles, but I will not step back. I will be one of the torchbearers for all in my own field.

Shailesh Agrawal

Oasis has given me innumerable things but more than anything else, it's given me the dream – the dream to create a better world through Love, Friendship and Virtuous Living. There is no other way to bring a fundamental change other than building future generations through character building education.

It might be the hard and long way, but it's the only way there is. In this never-ending quest, I commit to serve this beautiful dream by being a life-long soldier of this movement.

Oasis response to COVID19

An unprecedented situation in modern times has arisen due to Covid19 Pandemic which has severely affected the whole world.

What we did was –

- Created understanding of the situation in perspective – understood the real threat posed by Covid19.
- Decided not to undermine it and take utmost care and precautions.
- Decided to judge the situation independently and not panic like a mass herd mentality.

We formed norms of working at Oasis after careful considerations:

1. Doing Our Duties:

There are people who are staking their lives to protect others'. Thus we should, too, do our duties whatever we can do, however difficult it may be. We need to strike a balance between restricting our movements and yet be part of solution for the country.

2. Help Run Economy:

While the privileged class may afford to live on savings we should do whatever to help the class which lives on daily wages by supporting their efforts in whichever way we can. This means no laying off our employees, rather keeping them constructively engaged.

3. Adapt, Imagine, and Reposition:

This is also a challenge to all of us. Rather than getting cowed down by COVID, we should learn to use it as an opportunity to uplift our health and reinvent ourselves individually as well as organisationally for our Projects and Activities.

4. Expansion of Movement:

We raised the bar through the use of Internet Technologies and Social Media for Project Management and National Expansion. Oasis successfully conducted its Recruitment Drive in the month of July for National Expansion and for MHEs.

5. Response to Illnesses:

With utmost care and under national & international guidelines, we took COVID19 seriously yet in a relaxed manner. With slightest symptoms we provided special quarantined rooms, complete rest, all services, monitoring & medications, informing family and sending home safely if symptoms persisted and were also ready to take help of experts-labs for advance treatment.

NEW INITIATIVES & ADVENTURES

Oasis Misaal Social Leadership Development Program

As a proactive response to the Covid 19 situation, Oasis launched another initiative, Oasis Misaal Social Leadership Development Program, to identify, nurture young leaders, equal boys and girls nationwide. **The central idea is to sensitize youngsters for social needs and to build their character by selfless giving as responsible citizens. It will provide a platform to follow their passion of serving mankind in any sector of their interest, develop their leadership skills and thereby become role models (Misaal) to the young generation as trend setters and change makers. Additionally, it also includes a program of Serve-Learn-Earn for those seriously aspiring to be social entrepreneurs.**

A) Following is the process for recruiting Misaal Social Leaders in Phase - I.

1. Maturity of thoughts, through written essays
2. Maturity to listen to others, through group dialogues
3. Ability to create practical results, through project work

B) The winners of the above 3 stages were invited to Oasis Valleys, Vadodara, Gujarat for Phase 2 & 4th stage of MSLDP, to spend 2 weeks with the Oasis core team.

Here they will be further exposed to an intensive routine including a Self Development program. The youths chosen this way will undergo a special workshop facilitated by Oasis Team.

Final aspirants will get the exciting opportunity of Oasis platform to unleash their potential as young social innovators & change makers and also meet their financial needs appropriately. Alongside, further plans to help various communities and developmental work in these regions will be chalked out as a team.

MSLDPના અનુભવની વાત કરતા જ એક મોટી સ્માઈલ આવી જાય છે ને ગર્વનો અનુભવ થાય છે. જે લક્ષ્મી ૨૦ વર્ષ સુધી માત્ર બોલ્યા રાખતી કે હું દેશને પ્રેમ કરું છું, દેશ માટે કંઈ કરવા માગું છું, આજે એ લક્ષ્મીએ એક નાનકડું પગલું ભર્યું અને સાચો દેશપ્રેમ શું છે તેનો ખરો અહેસાસ થયો. જ્યારે પણ સેશન લઈને પાછી ફરું છું ત્યારે જે ખુશી મને છે એ ખુશી મને બીજે ક્યાંયથી પણ નથી મળી. જ્યારે આથમતા સૂરજને જોઈને પોતાની જાતને કહું છું કે લક્ષ્મી, તું ખૂબ સારી છે, આજે તો ખૂબ સારું કામ કર્યું ત્યારે ખૂબ ઉર્જા મળે છે. અને આવા અનુભવ હું મારી પૂરી જિંદગી લેવા ઈચ્છું છું.

- લક્ષ્મી ડાંગર

MSLDPનો પ્રોજેક્ટ કરતા કરતા હું મારા પોતાના પર વિજય પ્રાપ્ત કરી શકી; હું મારી નબળાઈ પર કામ કરી અને એ નબળાઈને જ મારી તાકાત બનાવી શકી. હું મારા મગજને મારા કાબુમાં કેમ રાખું તે શીખી શકી. પહેલાં માનતી હતી કે ડર પાછળ જીત છે પણ એ વાક્યને હું મારા સેશન થકી સાચું કરી શકી. આ બધાં કામ કરતા કરતા હું મારી સફળતાનું નવું પગથિયું ચઢી ગઈ.

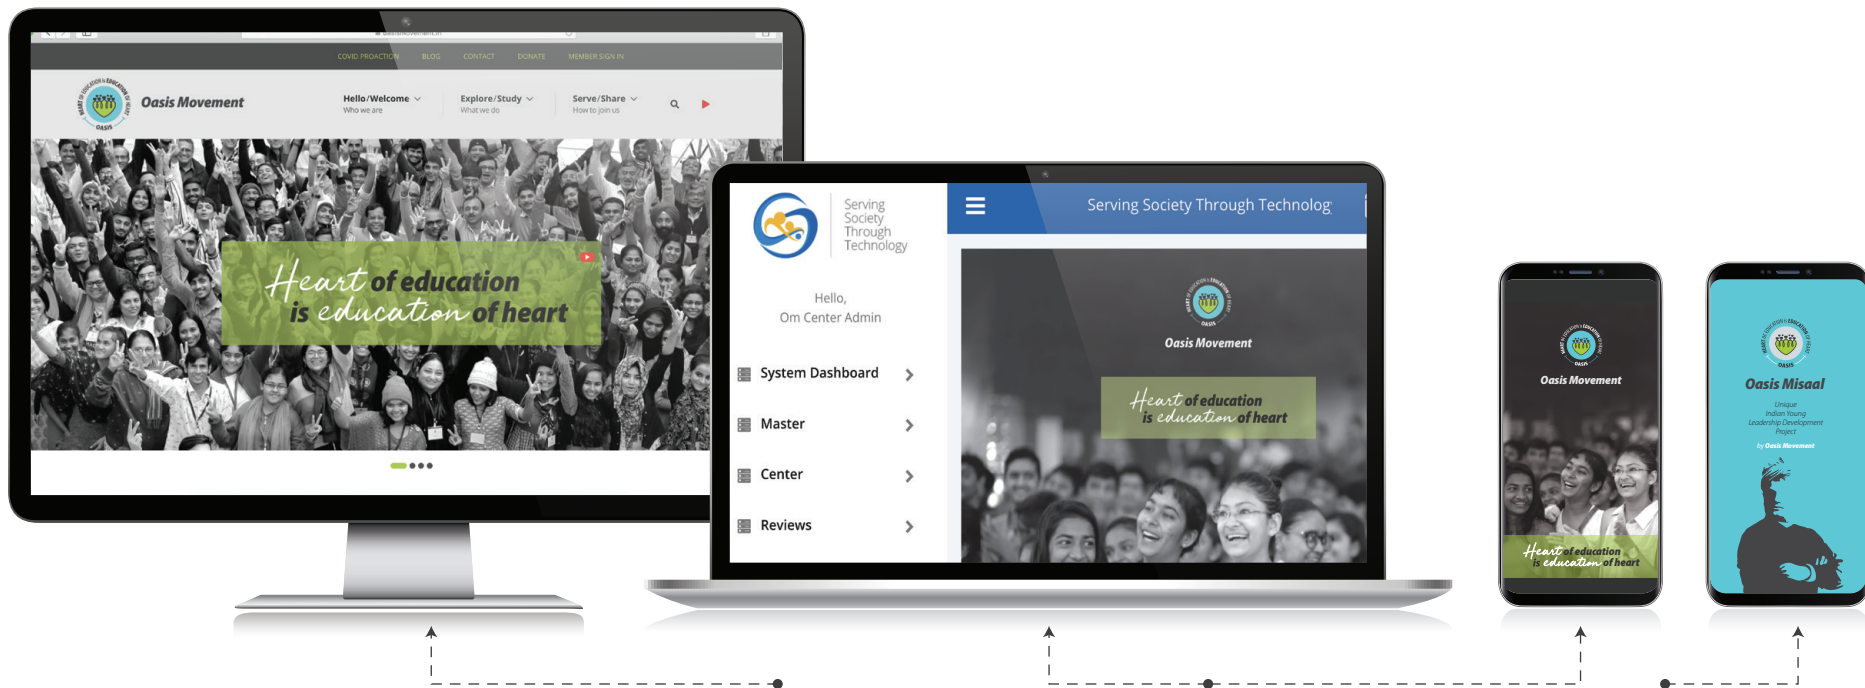

- ઉર્વી અવદીયા

આ પ્રોજેક્ટથી હું પોતાને સમજી શક્યો, જાણી શક્યો કે ના, હું પણ બદલાવ લાવી શકું છું અને બદલી શકું છું. આ પ્રોજેક્ટથી મને મારી નવી તાકાત જાણવા મળી અને સાથે તેનો ઉપયોગ કરતા શીખ્યો. હું બીજાને સમજતો થયો. હું મારી જાતને બદલી રહ્યો છું એનો મને ગર્વ છે.

Military Edu-Training

At Oasis Valleys campus, we installed physical training apparatus used as drills. **The objective is to further the physical and mental vitality of the youths as dimensions of their character education.**

“સૌથી મોટો ફાયદો પોતાના પર જ ધ્યાન આપવાનું હતું તે થયો. મિલિટરી ટ્રેનિંગ ખૂબ ઉપયોગી થઈ. ક્યાં મારે મારી જાત સાથે મૂઠું રહેતું અને ક્યાં સખ્તાઈ વાપરવી – એ શીખતું મારા માટે ખૂબ જ ઉપયોગી રહ્યું.”

- **Praksha Desai**, Regional Leader

“The most useful thing that I got is the experience of Military Training. Due to this training, I got so much benefit in my physical health and it increased my capacity to extend myself. Of course, the DISCIPLINE was also enjoyable.”

- **Tanya Khatri**, MHE

“I liked the most Military Training & Music Appreciation Session. Learning from MT session will definitely helps me in my life for being physically fit.”

OASIS welcomes our new Senior Leadership

I am grateful for this opportunity as Director, Oasis-Jammu & Kashmir which I received the very next day of my retirement from government services as Hol of Govt school at J&K.

I feel proud of joining Oasis and rejecting the offers from private Schools. The humble motivation behind this is that I owe to my society and accordingly decided to devote my time, energy and expertise for helping our young learners to live a meaningful and value-based life.

I truly believe it is by virtue of the love and trust of our entire core team of Kashmir that Oasis has assigned me such an important responsibility. Our culture of team spirit/ work since 2017 has remained exemplary. This now needs to reinvigorate to prove that we are elite in the sense that we have courage and are really change agents. A change for the good of society.

As part of my immediate role, I would like to reach Oasis programs to every district of Jammu and Kashmir and also have more interaction with CEOs and Hols for active involvement of more students and teachers in our endeavours. With love from all, a new era of Living, Loving and Learning is going to begin in Jammu & Kashmir. By joining the Oasis Movement I pledge my hands to larger services. My goal is to serve the society, my country and my world selflessly. This will give me inner peace.

Mir Mohammed Gulzar
Director, Oasis-Jammu & Kashmir

Working with Oasis after two decades of professional work experience was a natural progression in life for me. I trusted Oasis based on my long-term association and friendship.

As Chief Coordinator of Delhi I have been empowered with a huge responsibility. I am working with the teens and youth of Delhi to spread the Oasis Mission.

I am also involved as a regional synergist with education stakeholders as well as all our partnership initiatives at Delhi NCR.

The last few months have been very inspiring and full of joy and happiness. I continue to be amazed and learn every single day from the youth and teens with whom I work. The hard work done in the corporate world is now being translated into the youth development sector and this is very satisfying for me.

I have never felt entitled all my life and I am a self-made person. That's what I take up as a responsibility to teach the youth that a person is not limited by place of birth or circumstances that surround you.

Even though my journey is in the fledgling stages it has been very heartwarming and I am honored to be part of an amazing team at Oasis

Tina Vasudeva

Ms Tina Vasudeva carries a rich & versatile Corporate professional experience working overseas and in India as a Textile Engineer with a career in multiple roles. She has also been a close witness-friend and well wisher of Oasis right since 1990.

MHE for Seniors (SMHE)

9 members for 9 months

Covid19 hampered field work for the executive team of Oasis Movement. Taking lockdown as an opportunity, Oasis invited senior members of the executive team to undergo the rigors of the MHE program. 9 members joined the program which ran through 9 months of intense education, who shifted full time to Oasis Valleys. This includes Community Living, Self Education, Health Awareness & Building, Skill & competencies enhancement and Leadership Training.

"I feel the Senior Missal Hounership Explorer Program (SMHE) is a wonderful gift given to me by CORONA! Oasis gave me a readymade system for developing my self-discipline & self-love. SMHE taught me to live my life with self-awareness, excellence, gratitude, forgiveness, empathy, synergy & Rejuvenation. SHME is an incredible journey towards self-realization along with hard work, self-discipline, real freedom & self-responsibility. It gave me strength to look into myself, helped me overcome my fears and I found my new self – independent and courageous."

International Women's Day Celebrations

Message of Oasis to all Millennium Girls is that to be independent is not just their right, it's their responsibility and Obligation too for the precious life we all have. Girls should be the Heroines of their lives, not the Victims. Stronger nation requires its women to be Powerful.

It also appealed to all women to stop being objects in the eyes of men, as women are human-beings, not objects to be decorated for consumption. Oasis believes that the prevailing concept of beauty needs to be challenged today. The eyes which can see Good in people are lively and lips which speak Kind words are beautiful.
